

10-1-2019
Valued Customer,

Winter months are upon us and to receive the service you have requested; we are asking for your help!

To ensure your service is uninterrupted this winter, we are asking that you keep the areas where the containers are stored clear of snow and ice. This includes the inside of the enclosures and the path to the containers. It makes it very difficult to move these containers.

As you prepare for the snowy season, please consult with your internal personnel or your snow removal company. **For the safety of our drivers we will not be able to service your containers until the snow or ice is removed. We will not be issuing credit if unable to service your container due to ice and snow.**

Thank you,

Chris Skjeveland
